OUR RULES AND POLICY:

When you receive your trailer it will be clean and ready for camping. All trailers come equipped with all the necessary items needed for your vacation. We ask that you leave the trailer the way you find it. We do not charge a cleaning fee and that is because we feel that our customers understand that the way you get it is the way it should be returned.

All trailers have stove, full size refrig, microwave and cooking utensils such as cookware, dishes, flatware, coffee maker, kitchen towels. We also supply dish liquid, mop, broom, dust pan, trash can and pin sol cleaner of some type.

All trailers have linen provided for beds. We supply sheets, comforter and pillows for the queen bedroom. For our trailers with bunk beds we supply sheets and a throw blanket and pillow.

WE DO NOT SUPPLY LINENS FOR THE SOFA BED OR THE TABLE BED. IF YOU NEED TO USE THESE AS A MEANS OF SLEEPING YOU MUST BRING YOUR OWN LINENS AND PILLOWS FOR THESE.

If for some reason something gets broken such as a dish or a glass please just let us know when we pick up the trailer so we can replace it for next guest.

At J&R Trailer Rentals we want your vacation to be as memorable as possible so we have provided for your use a 19" color remote TV and we also supply the cable cord for the outside box to the trailer. We try to provide all the important things that you will need so you don't have to worry about remembering everything.

When you check out of your camper all I ask is for you to strip the bed sheets and put them in the bath tub/shower. **DO NOT PUT COMFORTER IN SHOWER PLEASE LEAVE IT ON THE BED.** I will put clean sheets on for next guest arrival. Please remember to remove all food from refrig. And empty all trash cans.

We hope that your vacation will be very memorable and that you will consider renting with us the next time you plan your travel to the beach.

Thank You
